SUBJECT: CAMBODIA--THE MILITARY SITUATION

25X1  Combat activity around the city yesterday was again limited to sporadic skirmishing and shelling along the southern defense line. In the countryside, fighting has picked up in the past few days along the long-contested stretch of Route 4 southwest of Kompong Speu City. Communist units now control seven miles of road in this area. Press reports indicate government forces have retaken a number of villages around besieged Kampong Thom.
